Nothing to be Desired

Every flavor made by Dr. Price has the

peculiar taste characteristic of the fruit from

which it is obtained, and imparts to cakes,

puddings, sauces or creams such a delicious

and grateful flavor that their use really leaves

nothing to be desired. We have yet to see

the housewife who has used Dr. Price's De-

licious Flavoring Extract of Lemon, Orange,

Nectarine or Vanilla, who was not delighted

by the leading chemists and heads of the great universities of this continent.
